

# About Us

**NIGER is a mobile app where images can go from your phone's photo library to shareworthy on social in seconds. The main agenda of NIGER is to put a smile on your face when looking at your final edited photos and videos. Always having a good edited photos and videos makes you confident enough to share on social or any other places hence we the team NIGER are here to make this possible. NIGER uses innovative, AI technology to transform your old photos into HD masterpieces. With NIGER, turn blurry photos into stunning HD. Sharpen, enhance, revitalize. NIGER is an India based app company.**
